1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

Resident of Tega Cay and customer of TCWS. TCWS has a petition for a rate increase.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am against a rate increase for the TCWS. This company has not provided a comprehensive plan for maintaining and upgrading the TC water system. I understand that the system is old and needs repairs but the TCWS has not put forth a good effort to help the residents understand the issues and what the options are for fixing them. They only respond once the situation is critical and a disgrace to the city. Please do not allow an increase until a well thought out program is reviewed with the citizens of Tega Cay.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

I will attend a hearing once scheduled if possible.
